

Edible Gardening 101

Sundays from 2:00-3:00 PM
January 26, 2014 — February 23, 2014

Get elbow deep in soil and join Karin Fields, the "Edible Gardening Gal" and author of *Organic Vegetable Gardening in the Tropics*, for a Gardening 101 series that includes: growing, harvesting, composting, pest control, and much more! You will receive free supplies after each session, and you will receive a copy of the presenter's book at the end of the series. Hibiscus Room, 3rd Floor. *Very limited seating.* Registration required. For adults. Call 561-868-7701.
